

How book a holiday

It couldn't be simpler to book a Marram holiday home on your chosen dates by following the simple process below!

1. You'll need to login to your Marram account. You'll know when it works, the top right login button will change to your registered name.

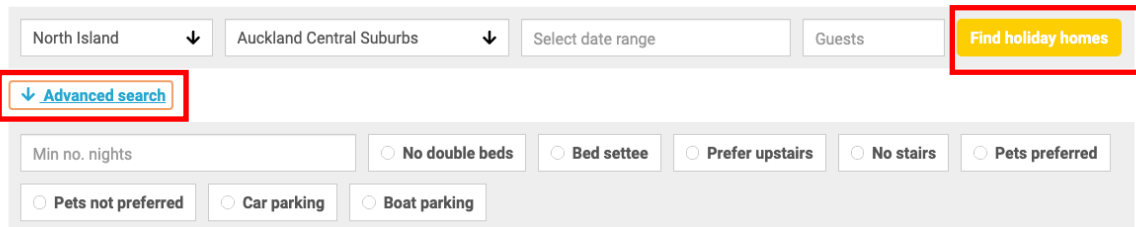

2. Next, select from the Holidays drop down on the top menu and choose "Book a home"

3. Now you can select the island, region and date range that you'd like to search for, along with the number of guests staying with you on the holiday.

Just hit the "Find holiday homes" button on the righthand side and your results will be returned.

- You can also select the Advanced Search tab, should you want to select more filters to your returned results.
