- Have never had a holiday in any past ballot.

Category 2:

- Contributors who have been contributing for more than 3 months;
- Have not had a holiday in a April or Christmas ballot in the last 2 years.

Category 3:

- Contributors who have been contributors for less than 3 months.

Category 4:

- Have not had a holiday in last year's April or Christmas ballot.

Category 5:

- All other Contributors (all will have had a holiday in the either the last April or Christmas ballot).

Category 6:

- Lifetime customers.

The intention of the rules is to give preference to people who have never been in a ballot before, then to those who have been contributors for a while and have not won a April or Christmas ballot for more than 2 years, then new contributors, then people who won a April or Christmas ballot 2 years ago but not last year, then people who won a April or Christmas ballot last year and finally Lifetime members.
